

BOW WATCH

BEAUFORT YACHT & SAILING CLUB

JANUARY 2023

COMMODORE JASON RUHF

Dear Members-

I hope you all had a Merry Christmas and are ready for 2023! Thanks to all of you who volunteered over the Holidays to make this season such a dynamic time at BYSC. Club Volunteer hours have reset and a fresh list of projects for 2023 are available to review [here](#). Please consider grabbing a friend and taking one on. Our major project focus this Spring will be aimed at completion of the Sail Shed residing/repaint project but there are many smaller projects perfect for one or two people to take on.

The Social Committee will meet Tuesday night 3-Jan at 5:30pm in the clubhouse to plan the Spring calendar. This is a great opportunity to get involved in club event production for 2023. If you are interested in learning more, please consider coming and sitting in on the meeting. All are welcome.

The Annual Beaufort Community Sailing & Boating Oyster Roast and Auction was a great success with over (350) tickets sold. Congrats to Noah Kipar, Sailing Director, the BCBS Board and those who volunteered on an excellent event which raised over \$30,000 for our sister organization.

If you or your child have ever had an interest in boatbuilding BCSB will be hosting a class February 25 & 26th. Please put this on your calendar. Click [here for more details](#).

Finally, this month's Final Friday theme will see the return of the Club's Annual Chili Cook Off. Throw your hat into the ring and try to unseat defending 2022 BYSC Champion Danny Walsh and his OTT Chili. For more information and to sign up click [here](#). Rumor has it Danny has a new recipe, so you better bring all five alarms.

Regards,
Jason Ruhf

MEMBER SPOTLIGHT

SETH AND JESSICA PAULK

Contributed by Jean Story

Seth and Jessica Paulk joined the BYSC shortly after settling in Beaufort in 2021. High school sweethearts from Waynesboro, GA., Seth and Jessica both attended the University of Georgia and earned their undergraduate degrees in Criminal Justice and Environmental Law (Seth) and Coastal Ecology (Jessica). Jessica went on to earn her M.A. in Curriculum and Instruction from Purdue University (2020) and Seth received his law degree from USC in 2020 as well. While in school they divided their time between Columbia and Beaufort so that Seth could work in the Public Defender's Office in Beaufort during the summers. They both love the coast, and it was the time spent here in the low country that cemented their decision to settle here after graduation.

In 2021, the Paulk's moved permanently to Beaufort, where Seth works as a Criminal Defense Attorney in the 14th Circuit Public Defender's Office. Jessica taught PreK4 at Beaufort Academy until the birth of their daughter Sarah Mae in May of this year. They have two golden retrievers, Tucker and Piper, and are avid outdoor enthusiasts. Seth enjoys fly-fishing, backpacking, camping, flounder gigging, kayaking, cigar collecting and playing golf.

Jessica loves the outdoors, kayaking, crocheting, baking and spending time with family. They enjoy getting out on the water every opportunity they get. Seth is also a regular volunteer behind the bar at BYSC. While 2022 has been a busy year full of travel, weddings and other significant life and family events that kept them on the road most weekends, they hope to have more time at home in the coming year to get more involved in their community and make new friends.
