General Manager Letter

Mid-Month Update

Commodore Jason Ruhf

March 2023

I made it back from my vacation last month and we are getting ready for a fun spring and summer with lots of events planned. Our Spring Member's Meeting is planned for this Friday from 5:30 PM to 6:00 PM and will be followed by an oyster roast and I will be doing some brats on the grill as well. Please bring an appetizer to share with fellow members. A bocce ball tournament is scheduled for March 26th at 3 PM so come out to enjoy the weather and try one of the oldest sports in the world developed by the Egyptians around 5200 BC. We are holding our first new member orientation March 28th at 4:30 PM. This is to cover several subjects such as history, policies, clubhouse rentals, club boat usage, website navigation and volunteering. You do not have to be a new member to attend. If you want to learn more about the club or if you just want to meet some of the new members, please plan to be there. For our final Friday on March 31st, we will hold a flag raising ceremony and sock burning which is a tradition at sailing clubs to signify winter is over and spring is here. So, bring some old socks and get rid of them like a sailor. Speaking of sailors, our Spring Racing Series starts March 25th and will end June 17th. The races will be held on Saturdays and are open to junior and adult sailors.

An item I would like to mention is to be sure you are setup under your profile on the website to receive text notifications. Some members may be missing out on important information that is communicated from our staff. Login, then look under your profile and you will find "Other Info" where you can check a box that allows us to send you text messages.

Membership has been capped at 450 members, but we do still have room for more. My staff has been asked recently how long the waiting list for new members is and we have informed them there is not a waiting list at this time. So, let's invite friends and family to attend our Sunset Fridays and show them the benefits of joining BYSC.

Finally, we have a volunteer workday scheduled for this Saturday at 9:00 AM. You can sign up to volunteer on the website if you see an option that you can help with. It has filled up quickly, but I think there are still some openings.

Many Hands Make Light Work,
Paul Kowalski, General Manager

Mid-Month Update
Commodore Jason Ruhf
March 2023

Are you a new member of Beaufort Yacht & Sailing Club?
Or perhaps you've been a member but have not yet had an opportunity to explore everything that your club has to offer. If so, please join us for a brief presentation which will include, among other topics, information on how to get started sailing, playing racquet sports, and our summer camp programs, as well as some of the history of the club, reciprocity with other clubs and how to use the club website.
The presentation will be followed by a question-and-answer period and libations.

To participate, please register [here](#).

2023 SPRING RACING SERIES

MARCH 25TH - JUNE 17TH

The Spring Racing Series is an annual event that is open to both junior and adult sailors. The event is open to all one design dinghy sailboats with a length of 20' or less and Catboats with a minimum LOA of 15'. Keelboats are welcome and will race with Catboats using PHRF scoring. Race start times and courses will be spaced to avoid the overlapping of junior dinghies and larger boats. Single and multi-handed crews are welcome, as are BYSC member and non-member sailors. Races are held on most Saturdays from March 25 to June 17. Come join the fun!
